TV Photo Album

Fun with digital pictures, directly at your TV-Set, without PC -virtually child's play!

Create your personal digital photo show - conveniently from your armchair - with the wireless keyboard. Edit your pictures: zoom, rotate, attach attractive frames, overlay balloons. Font and color selectable. Optimum presentation through overlay effects. Archive on video tape or flash cards. Slots for CF+SM with CF adapter also for MS, MM, SD. USB-connection to PC/Mac.

Entertain your friends and family with creative photo shows and humorous captions.

For commercial applications:

Photograph your products digitally. Select the best pictures with the TV Photo Album, insert texts and prices and present everything with a lively photo show.

Easily produced for effective day and night advertising in your shop window.

CUT-OUTS • DECORATIVE FRAMES • BACKGROUNDS • CAPTIONS • IMAGE MOUNTING
